

School Based Clinician for Glenn Stratton Learning Center at Good Will-Hinckley

Do you want to work for an organization where you can make a difference in the lives of youth? Good Will-Hinckley is looking for a motivated and energetic team-oriented Interim Clinician to join Glenn Stratton Learning Center (GSLC). This position provides direct therapeutic services to students in an educational setting. Responsibilities to include ensuring delivery of quality clinical services to youth creating and monitoring treatment plans and compliance with all state and federal mental health licensing standards and MaineCare regulations.

The Glenn Stratton Learning Center is located on the Good Will-Hinckley campus. It offers clinical and educational services to students in grades K-12 who experience significant social-emotional and behavioral challenges. Our program serves students with a variety of disabilities and behavioral issues, including emotional disturbance, specific learning disabilities, autism, and other health impairments and disabilities.

At GSLC, we believe that all students want to be successful in their home, school, and community. Thus, our mission is to work collaboratively, using specialized educational services in guiding students with behavioral issues and backgrounds so they can experience success.

Students that attend GSLC have been referred through their school district's special education process. The student's Individual Education Plan (IEP) and clinical treatment plan serve as guiding documents throughout the school year. Students participate in a full academic and recreational day schedule. Additionally, GSLC offers specialized educational services catered to each student.

Maine State Learning Results serve as the framework for academic standards. High school students work toward academic credits and standards in conjunction with their sending district's requirements.

Qualifications:

- Master's degree in related field.
- Proven treatment planning experience in MaineCare Section 97 and 65 preferred.
- Licensed as LCSW, LCPC, LMSW, or LCSW-cc, LCPC-c
- Demonstrate clinical expertise in working with youth and families.
- Satisfactory reference, background, and health checks. Must have a valid driver's license.
