New Museum Educator

The Museum and visitors are pleased to announce that Michaela Hinckley is our new Museum Educator.

MCX.3 - New Exhibit Shelf

A new exhibit shelf is being built for the Biology Gallery. As a result, the large exhibited shell will be more safely supported and easier for visitors to see.

Biology Gallery

With fall arriving the museum is an avid supporter of education. She not only teaches at the University of Maine at Farmington, she is an alumni from the Maine School of Natural History. This fall, she has a new museum educator, Michaela Hinckley books and materials to encourage visitors to come in and grab pencils to use to explore the collection.

Join the fun at the MCX Museum

Join the fun at the MCX Museum Museum Volunteers

If you are interested in volunteering please contact us at 207-425-0200 or lcbates@gwh.org. Visit the Museum Gift Shop for a limited time for great holiday gifts.

L. C. Bates Museum

Route 201, P.O. Box 159 Hinckley, ME 04944
