Explore the Early Years along the Trails.

Come Learn About Returning Spring Birds in the Audubon Gallery.

Friday, March 3, 10 AM
Capturing A Bird On Paper

Join the museum team and help children learn how to observe, draw and record birds. Like to draw? Learn about birds as you observe and draw their tails, feet and bills.

Materials and ingenious techniques involved. Make a small paper basket.

Join us to tour the bird galleries to look at bird adaptations and then find a bird or two you would like to draw. Learn about birds as you observe and draw their tails, feet and bills.

March Activities For Families and Children

Saturday, March 4th, 10 AM
Mammal Skulls, Teeth and Claws

Examine mammal skulls, teeth and claws to determine how they help each mammal. Learn how long a beaver has and touch sharp bobcat teeth. Make a paper skull craft to take home.

Saturday, March 11, 10 AM
Amazing Sea Shells

Tour the sea shell collections to learn about the interesting adaptations of different sea shells. See how shells protect them and grow. Start a small shell collection to take home.

Saturday, March 18, 10 AM
Amazing Native American Baskets

Penobscot and Passamaquoddy art and craftsmanship. Learn more about some of the natural materials and ingenious techniques involved. Make a small paper basket.

March Events For Families and Children

Join us to tour the bird galleries to look at bird adaptations and then find a bird or two you would like to draw. Learn about birds as you observe and draw their tails, feet and bills.

Materials and ingenious techniques involved. Make a small paper basket.
